Medtronic

DUBLIN - August 19, 2016 - The board of directors of Medtronic plc (NYSE:MDT) today approved the fiscal year 2017 second quarter cash dividend of \$0.43 per ordinary share, representing a 13 percent increase over the prior year. This quarterly declaration is consistent with the dividend announcement made by the company in June 2016. Medtronic is a constituent of the S&P 500 Dividend Aristocrats index, having increased its annual dividend payment for the past 39 consecutive years. The dividend is payable on October 21, 2016, to shareholders of record at the close of business on September 29, 2016. The company expects that its fiscal year 2017 second quarter dividend will be treated for U.S. tax purposes as a distribution of earnings and not a return of capital. Additional information about the tax treatment of the dividend is available at investorrelations.medtronic.com.
