

## Medtronic Announces the Pricing Terms of Its Cash Tender Offers for Certain Outstanding Debt Securities Issued by Medtronic, Inc. and Covidien International Finance S.A.

March 6, 2019

**DUBLIN - March 6, 2019** - Medtronic plc (the "Company") (NYSE:MDT) today announced the pricing terms of the previously-announced cash tender offers by its wholly-owned subsidiaries, Medtronic, Inc. and Covidien International Finance S.A. ("CIFSA" and, together with Medtronic, Inc., the "Offerors"), for any and all (the "Any and All Tender Offers") of the \$3.1 billion in aggregate principal amount of the outstanding Notes listed in Table 1 below (the "Any and All Notes") and up to \$3.7 billion (the "Aggregate Maximum Purchase Price") combined aggregate purchase price (excluding accrued and unpaid interest to, but not including, the applicable settlement date and excluding fees and expenses related to the Tender Offers) (the "Maximum Tender Offers" and, collectively with the Any and All Tender Offers, the "Tender Offers") for the outstanding Notes listed in Table 2 below (the "Maximum Tender Offer Notes," and, collectively with the Any and All Notes, the "Notes").

The terms of the Tender Offers are described in the Offer to Purchase, dated February 20, 2019 (the "Offer to Purchase"), and remain unchanged except by (i) the previously announced increases of the Aggregate Maximum Purchase Price and the Series Tender Cap and (ii) the Company's anticipated acceptance of additional Maximum Tender Offer Notes pursuant to its right to accept up to an additional 2% of the applicable securities without extending the Tender Offers, resulting in effective increases of the Aggregate Maximum Purchase Price to approximately \$3.8 billion and the Series Tender Cap to approximately \$90.5 million.

The applicable Total Consideration for each series of Notes is based on the applicable reference yield plus a fixed spread, in each case as set forth in the tables below, and is payable to holders of the Notes who validly tendered and did not validly withdraw their Notes on or before 5:00 p.m., New York City time, on March 5, 2019 (the "Early Tender Deadline") and whose Notes are accepted for purchase by the applicable Offeror. The Reference Yields listed in the tables were determined at 11:00 a.m., New York City time, on March 6, 2019 by the lead dealer managers (identified below). The applicable Total Consideration for each series of Notes includes an early tender premium of \$30 per \$1,000 principal amount of Notes validly tendered and not validly withdrawn by such holders and accepted for purchase by the applicable Offerors (the "Early Tender Premium").

1. Per \$1,000 principal amount of Notes that are tendered and accepted for purchase. The Total Consideration for the 2.500% Senior Notes due 2020 based on the Fixed Spread would have been below \$1,000, and is \$1,000 pursuant to the terms of the Any and All Tender Offers.
2. The applicable Total Consideration includes the early tender premium of \$30 per \$1,000 principal amount of Notes.
3. The offers with respect to the Maximum Tender Offer Notes are subject to the Aggregate Maximum Purchase Price of \$3.7 billion in aggregate purchase price and the Series Tender Cap. All references to the aggregate purchase price for the Maximum Tender Offer Notes include the applicable Total Consideration or Tender Offer Consideration (as defined below) and exclude applicable accrued interest and fees and expenses related to the Tender Offers. The Offerors will purchase an aggregate principal amount of Maximum Tender Offer Notes having an aggregate purchase price up to the Aggregate Maximum Purchase Price, subject to the Acceptance Priority Level and the Series Tender Cap as set forth in the table above.
4. Reflects the Company's anticipated acceptance of additional Maximum Tender Offer Notes pursuant to its right to accept up to an additional 2% of the applicable securities without extending the Tender Offers.

The Tender Offers are subject to a financing condition that the Offerors shall have closed one or more debt financings resulting in net proceeds to the Offerors in an amount not less than the amount required, upon the terms and subject to the conditions of the applicable Tender Offer, to purchase all the Notes validly tendered and accepted for purchase in the Tender Offers and to pay accrued interest thereon and fees and expenses associated therewith. The Offerors expect to satisfy the financing condition upon the closing of the previously announced public offering of senior notes by Medtronic Global Holdings S.C.A., which is expected to occur on March 7, 2019, subject to customary closing conditions. The Company expects to issue a press release prior to the open of trading on the New York Stock Exchange on March 7, 2019 announcing satisfaction of the financing condition and accepting the Notes for purchase.

Notes not accepted for purchase will be promptly credited to the account of the registered holder of such Notes with The Depository Trust Company or otherwise returned in accordance with the Offer to Purchase.

All payments for Notes purchased in connection with the Early Tender Deadline will also include accrued and unpaid interest on the principal amount of Notes tendered up to, but not including, the early settlement date, which is currently expected to be March 11, 2019. In accordance with the terms of the Tender Offers, the withdrawal deadline was 5:00 p.m., New York City time, on March 5, 2019. As a result, tendered Notes may no longer be withdrawn, except in certain limited circumstances where additional withdrawal rights are required by law (as determined by the applicable Offeror).

Although the Tender Offers are scheduled to expire at 12:00 midnight, New York City time, on March 19, 2019 (one minute after 11:59 p.m., New York City time, on March 19, 2019), or any other date and time to which the applicable Offeror extends such Tender Offer, because holders of Maximum

Tender Offer Notes subject to the Tender Offers validly tendered and did not validly withdraw Maximum Tender Offer Notes on or prior to the Early Tender Deadline for which the aggregate consideration payable exceeds the Aggregate Maximum Purchase Price, the Offerors do not expect to accept for purchase any tenders of Maximum Tender Offer Notes after the Early Tender Deadline. Holders of Any and All Notes who validly tender such notes following the Early Tender Deadline and at or prior to the applicable expiration date will only receive the applicable Tender Offer Consideration (the "Tender Offer Consideration") for Notes accepted for purchase, which is equal to the applicable Total Consideration minus the applicable Early Tender Premium.
